

**Update 23.6.14**

The overall aims of this topic are – To plan what we would like in the new playground/s areas.

To seek support with funding and building/constructing the playground areas

LEARNING OUTCOMES	ACTIVITY ACTION	Who's in charge?	When will it be done by? (If ongoing, when did it start?)	How can we monitor it?	How will we know when we're successful?	How much will it cost?	Did it work? Any ideas for the future?
<p>To write to some big companies and organisations about our plans for outdoor areas - ask for financial support.</p> <p>Julie has a list of the companies - PETROFAC, STORK TECHNICAL, BP and we still have to write to SEPA as discussed with their chairman at the Environmental Awards Ceremony.</p>	<p>Write letters asking for pledges of support.</p>	<p>Eco committee members.</p> <p>TEAMS 1.Kayla-Marie, Craig and Charlie 2.Jorgie and Maks 3  Mrs Adamson will put them onto letter headed paper.</p>	<p>By the end of term 3</p>	<p>Attie and Alanoss will check with the letter writing teams to see if they have managed to do a first draft.</p>	<p>We will receive a favourable response pledging support.</p>	<p>The cost of approx 9 postage stamps</p>	<p>At the time of writing this update 23.6.14 We have received two replies to our letter asking for support- One from Shetland Amenity Trust's Sita Goudie who has offered</p> <ul style="list-style-type: none"> <li>✓ To promote our work</li> <li>✓ Volunteering their time</li> <li>✓ Advise on planting</li> </ul> <p>And Moving heavy items with their truck</p>

							We have also heard from Michael Leftwich at SIC Estates Operations. He has offered to help with <input checked="" type="checkbox"/> Working drawings <input type="checkbox"/> And <input type="checkbox"/> Sourcing materials
Pupils will carry out a cooperative learning activity to come up with ideas for several different areas or features for our new outdoor space.	Groups present their ideas for a specified area of the playground and try to fulfil the design brief.	Mrs Mainland will introduce the activity.	Term 1 of 2013/14	Mrs Mainland will collect in all the ideas.	We will have a terrific display and ideas to show anyone who is pledging support.	No cost	P3/4 did a fantastic job of the cooperative learning activity. Their ideas are on display on the eco board and the display board outside Mrs Mainland's room.
Eco committee members will liaise with the parent council sub group who are looking at funding applications for the school playground.	For eco committee and parent council to get together.	Mrs Mainland can oversee the meeting or discussion.	By end of Term 4	We can take notes and see if any pledges have been made/ensure we're not approaching the same sources for funding.	We will be able to work together to receive favourable responses pledging support.	No cost	Attie Black, chair of the eco committee, contacted parent council member, Aesha Hudda and Craig Pottinger, assistant secretary contacted Kenny Pottinger, to ask if they could put their names on the letter to companies and organisations as a point of contact. They both said yes. Also, Attie asked if Aeysha had contacted any companies

							yet. She hadn't so we sent her a list of the ones we have contacted.
P6/7 will work with Karen McKelvie on the NATURE FRIENDLY SCHOOLS project.	Upper school assembly  Carry out an audit of existing school grounds	Karen McKelvie  Karen McKelvie and P6/7	By end of term 3  By end of term 3	Mrs Tait and Mrs Mainland joined in with the class activities and noted that it was well structured.	The pupils were able to come up with some terrific ideas for their new outdoor space.	Still to be costed but we have £1000 from our spring fayre	One in particular, by P7 pupil Hal MacLennan, is most likely to be adopted. His idea was for the outdoor classroom seating area. It was to be named <i>the cubby hole</i>
