

Eco-Committee Action Plan

Action	Who's in charge?	When will it be done by?	Activities to do	How can we monitor it?	How will we know when we're successful?	How much will it cost?	Did it work? Any ideas for the future?
Making school gardens/grounds more wildlife friendly	Jaynie James Vaila Rona Molly Anna	Plan made before easter, make improvements after easter	<ul style="list-style-type: none"> - Add plants/vegetables to the garden, ask Mr Henry to assist -Use information from Program on tv with linked website -Make own bird food. -Install new nesting boxes/feeders - Lay cabling to enable pictures from garden webcams to be relayed through a large screen television. 	Collect evidence (photos etc) of the progress made	Record the different types of birds visiting our garden.	Try to get donations of plants from local garden centre/ Croft. Buy some plants from school science dept. (cost TBC) Compost – approx £10 Nestbox/ Feeder £200
