

COMPUTER NETWORK Code of Practice

Pupils granted access to the Computer Network, including the Internet and e-mail, must abide by the following Code of Practice.

Students must agree to:

- + Use the network legally.
- + Treat **all** equipment with respect and **do not** waste resources.
- + Only logon to your **own** user area and keep your password **secure**.
- + Be polite when using e-mail. **Never** use inappropriate or unacceptable language. E-mail is not private.
- + **Never** reveal your personal details or those of your fellow students to people unknown to you.
- + Not use chat rooms
- + Inform your teacher if you find an unsuitable site on the Internet so the site can be removed.

The

school will **not** post students' work/pictures to the Internet without permission and acknowledgement.
