Additional Comments

- ✓ A lovely report for X. You have summed her up well. We have utterly loved going through her learning story that has arrived home today. A lot of hard work from the Nursery staff, but it is very appreciated. We cannot praise staff more. X has loved nursery and would have come on Saturdays and Sundays too. Very impressed with the transition into Primary 1 that has happened this term. We feel confident X will enjoy starting school.
- ✓ Report cards are always a good way to see progress/difficulties and so receiving a midterm one is invaluable along with the parents' evening. Although the "Learning Journey" was good, I don't think we "learned" much about our child.
- ✓ It would be more helpful to have the Term 3/4 report out before the last week.
- ✓ The Learning Journey and other reporting are great. I also enjoy the open day as grandparents can see bairns work and progress too.
- ✓ The teacher communicated well with us and made a good effort in bringing fun activities for the pupils to make learning more interesting. We loved the animations and how WW1 was taught.
- ✓ The teacher kept in touch with us through the year, which reflected in X's learning greatly. She has done a fantastic job. Thank you.
- ✓ Only comment is that the report is so late, that if there were any issues/comments that perhaps they wouldn't be picked up until the start of the new term. However, there isn't any issues/concerns with our report.
- ✓ Maybe informing parents if there is a problem with their child before parents' meeting.

- ✓ Regular updates on my child's progress throughout the year.
- ✓ I have felt very in touch with my child's learning throughout the year.
- ✓ I really enjoyed the learning journey at the start of the year to get a brief insight into the new classroom and meet the teacher informally. I felt the parent/teacher appointments in Term 3 were well placed, as well as contact with the class teacher when appropriate. I feel the school website could be updated more regularly with what classes have been up to.
