9<sup>th</sup> November 2011

Dear Parents/Carers,

Primary 3 Enterprise are hoping to make some Christmas hampers, to raise money for school funds.

Please donate some foods, if you can. Even just one item would be helpful. You could maybe send in some Christmas food like mince pies, tins of custard, Christmas puddings and Christmas biscuits. Christmas decorations or ornaments would be great too.

Some other ideas are, a tin of fruit, a tin of vegetables, a tin of beans, a tin of soup, a tin of meatballs, a tin of fish, a jar of honey, a packet of noodles, poppadums, wraps, cakes, biscuits, jelly, a box of tea, a jar of coffee and of course some sweets! Please send in any items as soon as you like, but not after the 8<sup>th</sup> of December, because we need some time to make the hampers look yummy and scrumptious.

Thank you for reading this message.

From Primary 3.
